

COLLEGE NAME				
City & State. Distance from a major city?				
How will I get there?				
Number of students?				
Does the college offer the academic programs I want? If undecided, does the college offer programs I may be interested in?				
Does life outside class seem fun for me? What specific non-academic activities sound interesting?				
What is one positive feature about this college? One negative?				
Is this an admissions reach, target or likely school for me?				
What is the cost? Give this college a grade (A-F).
