

Petition for Non-Medical Absence

Name _____

Today's Date _____

Date of Absence _____

Reason for Absence _____

Attendance Policy: Because there is no substitute for the lectures, labs, and discussions that make up class time at Maybeck, we discourage unnecessary absences, which put undue pressure on students. It is the student's responsibility to complete assignments, borrow lecture notes, and prepare himself/herself for tests, etc. This petition excuses the student from attending class, but not from learning the material covered during the absence. A student who misses more than 20% of class sessions may fail the class based on attendance. We have read and understand this policy.

Student's signature: _____

Parent's signature: _____

Class/teacher	Assignment	Comment

A photocopy of this document should be given to the Rules Committee before the student leaves the area
