## 2010-2011 Expenses

Page 1

For the 2010-2011 school year, the basic cost is **\$23,000**. The tuition is **\$22,000** and the annual fee is **\$1,000**. The annual fee covers all school trips, printing and mailing costs, student ID cards, graduation fees, transcripts, yearbooks, and other classroom expenses. Other costs are billed individually to student accounts as they occur. These other costs include textbook use fees, and class materials. These may add up to as much as \$400 per year depending on the student's specific classes. Special Programs are also billed separately because of the wide range of costs for the programs offered. To help you plan for future years, we anticipate that the tuition and fee will most likely increase 5 -10% annually.

### FINANCIAL AID

Maybeck dedicates 15-18% of its revenue to financial aid and seeks to meet families' needs. We offer aid as a reduction of tuition only. The annual fee and other expenses are not reduced and must be paid in full. Eligibility for tuition reduction is based on financial need and availability of funds, so timeliness favors your application.

Recipients of financial aid will automatically be placed on the ten-month installment plan, with 60% of tuition due in the fall semester and 40% of tuition due in the spring semester. Half of the annual fee is paid each semester. Applications for financial aid must be submitted for each school year that the student attends Maybeck.

### SCHOLARSHIPS

There are several full scholarships available for students who have academic promise, demonstrate financial need, and who would contribute to the cultural diversity of Maybeck's student body. Please request scholarship information from the Admissions Director if you are interested. In addition, we offer Jeremy Harrison Memorial Fund scholarships to students in their third or fourth year at Maybeck who are on financial aid and who have not been able to participate in a travel Special Program.

### DONATIONS

Parents who can afford to make tax-deductible donations to our financial aid or scholarship funds are encouraged to do so at any time. Donations will be acknowledged with a receipt for tax purposes.
